Ogi

From a classic four-legged variant through a radial one with MFC legs to a desk adjusted to the user's size featuring a sit-sit frame – the Ogi desk is a personalised workstation that suits every pocket.

frame types, coming in both a single and double version, that allow to create an arrangement of any size. Combined with various cable management accessories or desk panels the Ogi desk provides a well-organised work station that enhance efficiency.

The variety of options results from the combination of a universal top in multiple sizes and forms with diversified
